Sir, I have the honour to inform you that an awareness programme has been done with proper care by you representative today. It is quite commendable & satisfactory programme. The students & Teachers participated in the programme spontaneously. Seeing this we feel that such programme should be arranged frequently to maintain the spirit of utility of medicinal plants. More books to the greater number of pupil should be supplied. More pupil should be involved in the programme. The authority may be requested to involve the matter in the syllabus of the WBMSB.

Thanking you,
