OUR CULTURE has a unique strength, the strength of the SOCIETY... Normally, elsewhere, we find GOVERNMENT AIDED SERVICES, but, here in our ancient "BHOOMI", we have a SOCIETY aided SERVICES... The requirements, the needs of HAVE-NOTS, are taken care by "HAVES".... people in the other parts of the world may have to rely on GOVERNMENT AIDS and WELFARE schemes in time of distress and difficulties, but, here, HAVES lent their shoulders to HAVE-NOTS in times of distress, disasters, difficulties etc. This TRADITION has sustained since time immortal, because we believe in 'DARIDRA-NARAYAN'.... and worship them.

'VISAMO-KIDS' is also rendering yeoman services to the society.

I convey my heartiest wishes to the organisation on completion a decade of HUMANITARIAN services.
