

Program Description – Destitute Home

The Biswas Educational Foundation (TBEF) is a registered public charitable trust with Trust Deed no. 2401 on 28th April, 2008 . TBEF is a non-religious, non-political, non-profitable volunteer driven organization. At The Biswas Educational Foundation we operate a Home for residential accommodation of deprived and single-parent children belonging to the underprivileged section of the society . Children are inducted from age 6+ & stay with us till they reach 18.

Our mission is to support the well-being of those in need, including the disadvantaged, destitute, impoverished or single parent children from the less fortunate parts of our community.

We provide Nutritious Food, Accommodation & quality Education to the children while ensuring they grow up in a family like atmosphere under the care & guidance of House Mother. The children are trained in Sports & Extra Curricular activities like Singing, Arts & Crafts & Dancing. Many of our children have won accolades in Athletics competitions at District, State & National level competitions. It is our endeavor to provide a platform and opportunity for the talented children to realize their true potential.

Here we would like to highlight the Impact / Case Studies of some of our children. (Names have been Changed)

- Niloy has been with The Biswas Educational Foundation since 2012. He lost his father very early in life. His mother worked in the agriculture sector and found it quite challenging to make both ends meet. Niloy is the youngest of 3 siblings. He scored 77.7% in Board (Class 10) examinations. Studying Commerce in Class 12 ,he aspires to be a CA/CFA in future. Niloy is extremely talented in Athletics & stood first and broke the last 28 years' record, scoring 6.57 meters in Long Jump at 37th Annual Athletic Meet 2022-2023 competition held by South 24 Parganas District Sports Association . In October,2024, Niloy achieved 1st position in Long Jump, 1st position in Triple Jump and 2nd position in 100 meters race at 68th District School Athletics Meet 2024 for Secondary & Higher Secondary levels organized by The District Council for School Games & Sports, South 24 Parganas . Niloy also secured 1st position in Triple Jump and 3rd position in Long Jump at 68th State School Games in Athletics in October 2024.

- At National Level, Niloy participated in 67th National School Games 2023-24 in December,2023 & 19th National Youth Athletics Championship in June 2024. He also took part in 34th East Zone Junior Athletics Championship,2023. He participated in the 68th National School Games in Athletics to be held in Ranchi, Jharkhand from 5th – 8th January, 2025.

- Malati's father is not there, she was rescued by a person when he accosted her mentally challenged mother who was on the verge of throwing her into a lake when she was only a month old. Her mother could not be traced thereafter. The person who rescued her kept her with his family for some time before she was handed over to TBEF.

At present, Malati is studying in Class 8 in English medium school. Apart from studies, she is very good in singing & athletics. She also has a very nice & artistic handwriting. She is growing up to be a matured & responsible person.

- Manisha is the youngest of 4 sisters. Coming from a very economically challenged family, Manisha lost her father early in life. Her mother travelled long distances by local train to work at people's homes to support the family.

Manisha is very good at studies. She secured 81.4% marks in Madhyamik Exams (Class 10 Board Exam) . At present, Manisha is studying in Class 12 in Science stream. In June 2022 Manisha stood first in Vidyasagar Science Olympiad – 2022, from Sonarpur under South 24 Parganas.

- Sanjay lost his father in 2008 due to severe Heart attack. Post his father's death, his mother became unwell and got afflicted with Terminal Cancer. Hearing this , his grandparents took his mother back to their native place, leaving Sanjay & his brother with some villagers at Canning. Hearing about them from the Panchayat Pradhan, TBEF decided to admit Sanjay after required document checks.

Sanjay has grown up to be an excellent human being. At present, he is studying in Class 12 in Commerce stream. He dreams of being a Chartered Accountant. Sanjay is very talented in Sports .He came 2nd in 100 mtrs, & 1st in Javelin in 2023 District Sports meet. He also secured 3rd position in 4x400 mtr & 2nd in 4x100 mtr relay race at State Sports meet. In 2024 District meet, he secured 1st position in 100 mtrs & 2nd position in Javelin.

We also run a School to deliver quality education to children belonging to the economically weaker section of the society in and around the locality at minimum cost, as well as to provide free education to the children of our Home. TBEF is dedicated to the welfare of the deprived, destitute & single parent children from the underserved section of our society.

Over a period of time TBEF has evolved in multidimensional fields of education, health, and community development with a special focus on underprivileged children. The Trust has 80G, CSR 1, 12A & FCRA Certifications.

We are committed to discovering atrocities & injustice faced by people living near our surroundings & work towards providing relief to them especially destitute and single parent children.
